however has no objection to the building being temporarily used for the Govt School till the old Dispensary is Removed The Dy Commr suggests that the Sayerkatte may be permanently handed over to the Edn Deptt and that the Dispensary building may be Removed by the Rev Deptt and utilized for the Excise Office etc. If this course is not feasible, the Dy Commr asks for a sum of Rs 2,500 for Constructing a new building for the School

3 Even if the Sayerkatte is handed over to the Edn Deptt the Dy Commr states that it will have to be adapted to the need of the School by Constructing a shed or 2 Rooms, which are estimated to cost Rs 600

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No 10555/722

Bangalore, 17th June 1908

Edn 69-07
SL-7

From

H J BHABHA, ESQ, M A,
*Inspector General of Education in Mysore*

To

K S Chandrasekhara Aiyar Esq B A, B L,
Secretary to the Government of H H the
Maharaja of Mysore,
General and Revenue Depts

SIR,

P W

With reference to Government Order No. PL 4884-7/Edn 69-07-6 of the 27th March 1908 sanctioning a sum of Rs 420/- for the cost of repairing the old Dispensary building at Sagar, I have the honour to inform you that the Chief Engineer states in his letter No. 1791 dated 12th March 1908 that the Executive Engineer has reported that the Dispensary building is not fit for occupation as its roof requires thorough overhauling The thorough overhauling of the roof is certain to cost a much larger sum than Rs 420 The Chief Engineer has not yet informed me of the amount I then corresponded with the Deputy Commissioner, Shimoga District to allow the use of the Sayarkatte in Sagar for the use of the Industrial

School He states in reply that the Sayarkatte cannot be made available permanently for the Industrial School as it is wanted for the occupation of the Municipal Chavadi, the Excise Inspector's Office and the Arrack Bonded Depot, that the old Dispensary building may with the urgent repairs sanctioned by the above order be conveniently used for the Industrial School and that the Sayarkatte may be used by the Education Department temporarily till the sanctioned repairs to the Dispensary building are completed Unless this Dispensary building is thoroughly repaired it will not be fit for the school, and it will be some time before thorough repairs are executed Owing to the difficulty of procuring a suitable building it has not been possible to open an Industrial School at Sagar for the last two years In the face of the Chief Engineer's opinion about the condition of the Dispensary building I am unable to arrange for holding the Industrial School in it As the Deputy Commissioner considers that the Dispensary building is situated in a convenient locality, the Chavadi the Excise Inspector's Office and the Arrack Depot may be held in it and the Revenue

Department may repair it for occupation
I request that Government may be pleased
to order the handing over of the Sayarkatte
which has remained unoccupied till now
for the use of the Industrial School It will
have to be adapted to the need of the Indus
trial School and probably a shed or an
additional room or two will have to be
constructed at a cost not exceeding Rs 800
If this cannot be done I request that a new
building costing about Rs 2500/- may be
sanctioned for the school from Local Fund
General in the next year's budget

The favour of early orders is requested

I have the honour to be,
Sir,
Your most obedient Servant

H B Prabhu
Inspector General
